

**Remarks**

In the Office Action mailed 10/8/04, the Examiner required a species election of one of following species for initial examination: a) fragment of Fodrin, b) fragment of IPF $\alpha,\beta,\gamma$ , c) fragment comprising EAALTSEEVG, and d) fragment comprising YHRFK. The Applicants hereby elect the species of "a fragment of IPF  $\alpha,\beta,\gamma$ " for initial examination. Claims 15-22, 24, and 26 read on the elected species.

Applicants note that, in accordance with the Office Action and applicable law, upon the allowance of a generic claim, the Applicants will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claims as provided by 37 CFR 1.141.

Applicants note that all amendments, cancellations, and additions of Claims presented herein are made without acquiescing to any of the Examiner's arguments or rejections, and solely for the purpose of expediting the patent application process in a manner consistent with the PTO's Patent Business Goals (PBG),<sup>1</sup> and without waiving the right to prosecute the cancelled claims (or similar claims) in the future.

**CONCLUSION**

If a telephone interview would aid in the prosecution of this application, the Examiner is encouraged to call the undersigned collect at (618) 218-6900.
